

# local champion.

He's a graduate of the ITT Products Champion program. So he's a true expert in all things related to hygienic valves, including configuration, installation, and maintenance. And since he's on staff at your local ITT distributor, he's not just at your service 24/7. He's also part of your community. Visit [ittpureflo.com/distributor.html](http://ittpureflo.com/distributor.html) for your nearest Pure-Flo distributor.
